

BUSINESS ACCOUNT APPLICATION

Business account customers may select one of two payment options. Payment may be made on-line during check-out of the normal order process and under these circumstances, only Sections 1 and 3 of the application form need be completed. Those customers who apply for credit terms, are also required to complete Section 2, providing two trade references and bank details. All business account customers will receive a VAT invoice following despatch of the goods. Credit terms are strictly 30 days from the date of invoice.
